

# WEIGH-TRONIX

## JBIT - Junction Box Internal Termination

The JBIT is a stainless steel Nema 4X junction box with four internal weight sensor connections. Each input has an adjustable precision span resistor for individual signal trimming. The overall height is 2.1" and the interface cable strain relief supports a .23" - .39" diameter cable. The four weight sensor strain reliefs support a cable diameter from .19" to .36".

<u>PART NUMBER</u>	<u>LIST PRICE</u>
50063-0017 .....	\$225.00
50063-0041* .....	\$250.00

\* Includes surge voltage protection
